

# WECA Special Awards

Each year WECA strives to honor members that have given outstanding contributions to children, the WECA organization, and their community. We have three categories:

- **Early Childhood Professional of the Year** – Someone that derives their income from working with young children; is a WECA member; and has made outstanding contributions to their community, their programs and the work for young children.
- **Friend of the Young Child** – a person in your community that has contributed to the efforts in behalf of young children through their advocacy, volunteerism, monetary contributions or actions; need not be a WECA member.
- **K-3 Teacher of the Year** – a teacher in grades K-3 that has shown an outstanding application of understanding of children in their classroom activities, and is a strong advocate for Best Practices of young children in the classroom setting; A WECA member.

Nominations are sought from WECA members throughout the state. Final selection will be done by the Executive Committee of the WECA Board.
